- Secured 8.56 CGPA (till 5th semester)
- Awarded Merit Scholarship for academic performance in 2022

Schooling

SSLC 97%
HSC 95.6 %

SOFT SKILLS

Kaggle Expert
Teamwork
Executive Member in GEC

AREA OF INTEREST

Machine Learning
Web Development

OBJECTIVE

I am an enthusiastic individual seeking a position that not only leverages my current skills but also offers continuous opportunities for learning and practical experience.

TECHNICAL SKILLS

Data Analytics
Frameworks : HTML, CSS

PROGRAMMING LANGUAGES

C
Java
Python

PROJECTS

- Portfolio Website

Developed a portfolio website for Sri Venkateswara Construction using HTML, CSS, and JavaScript. Features include interactive forms with mailing capabilities and an integrated location map. This enhances user engagement through a modern, responsive design.

 github.com/dharshdk/Portfolio-website

- Music Playlist Using Java OOP concept

Created a Java music playlist in Eclipse IDE with OOP concepts. Allows song addition /deletion and playlist navigation through command-line interface.
